

HOW TO USE THE "SHOE INN STAY" AUTOMATIC SHOE COVER DISPENSER

STEP 1

Grasp handle firmly.
Place one foot to the side of dispenser.
Place opposite foot on metal plate.

STEP 2

Using a smooth, gentle motion, pull foot backward while tilting toe down, into the bootie.

STEP 3

Continue pulling foot backward until the bootie releases from the dispenser and wraps around the shoe.

A new bootie is automatically presented for the next foot.
